## February 2019

During the month of February, we will focus on friendship and kindness. We will be making valentine cards for our classmates. Please help support the Harrison Learning Center by purchasing Valentine Grams! They are a perfect way to say, "I love you," to family and friends! We will have a Valentine Party and more information will be sent home at a closer date. February is also dental health month. A local dentist will visit our classroom to review oral hygiene and provide a dental screening. Please sign and return the permission slips so your child doesn't miss his/her screening. We will also be celebrating the 100<sup>th</sup> day on February 12<sup>th</sup>.
