

Miss M and Ms. Sacchi's

April Newsletter

Dates to Remember:

Monday April 2nd – Friday April 6th: Abbott Closed for Spring Vacation

Thursday April 12th: Preschool Expo at Harrison High School

Monday April 16th – Friday April 20th: Week of the Young Child

During the month of April we will continue with our ball study, exploring topics such as: Do all balls bounce? Do all balls roll? What makes balls move? Who uses balls? As the season of spring starts to really bloom we will also touch upon the life cycle of plants and the important things plants need to help them survive and thrive. We will review the parts of the plant and learn to recognize some of the plants and flowers we see in the world around us.

Happy Birthday!

Emma: April 22nd

Sara: April 30th

Please remember to bring in your monthly donation of tissues and baby wipes!
