Middle School Auditorium

Friday, June 22nd - Last Day of School

What are we learning about?

We will be finishing up our study on reducing, reusing, and recycling. The students will be focusing heavily on writing and recognizing letters and numbers, letter sounds and shapes as we make the final push before Kindergarten.

Help us finish out the year with everything we need! Please remember to bring in your monthly supply of baby wipes and tissues. Our class is also in need of bottles of hand sanitizer!
