

# Mrs. Toal & Mrs. Everlin

## Days to Remember

**October 9 – School Closed – Columbus Day**

**October 18-Field Trip-Conklin Farm**

**October 19 – Half Day–1:00 Dismissal–Teacher Workshop**

**October 31 – Halloween Parade & Celebration**

**\*Halloween Grams on sale all month\***

During October, we will be studying trees, leaves, pumpkins, and all things fall! Our biggest focus this month is talking, colors, and counting! The easiest and most fun way to introduce new vocabulary is through songs so we consider Music and Movement one of the most important times of our day. I will post some videos of our songs on Facebook so your family can sing at home as well. We will be using our walks through the neighborhood as an opportunity to work on recognizing all our colors. Finally, we are just beginning to work on counting both verbally and with our fingers. We will use a combination of songs and games to encourage the children to become more confident with their counting skills!

**Please remember your monthly supplies of**

- 1 box of wipes**
- 1 box of tissues**

**If your child brings lunch that requires a spoon or fork on a regular basis, please send in a box of spoons & or forks.**

**Halloween Grams will be on sale for most of the month of October. You can buy 1 or more for your child or you can buy a class supply to give out to your child's friends! Please help us raise money for future activities!**

### **Homework:**

- 1. Encourage your children to answer questions verbally (no nodding/shaking head)**
- 2. Practice counting using fingers with your child. I will post some fingerplays on facebook that you can use to help strengthen your child's finger muscles.**
- 3. Throughout your day, talk to your child about the different colors that you see.**
- 4. READ! Read at least one book a day to your child.**
