This month we will continue our study of clothes. We will talk about what size clothes we wear and the best kinds of clothes to wear during hot and cold weather. The students will experiment with different methods of cleaning clothes and will continue playing in our Dramatic Play Laundromat. As part of our study, we will be working with the students on how to zip and unzip their jackets as well as putting and taking off mittens, gloves, and hats. Please help your child's progress by working with them on these skills at home as well.

Winter Conferences

This week I will contact parents to set up a conference time and date for next week. The conference will be approximately 10 minutes and will cover your child's successes this year as well as what we are working on to move your child to the next level. If you have any questions or concerns, please bring them up at this time.

Please remember that New Jersey requires all children under 5 to have a flu shot. Please make sure that the Harrison Learning Center has paperwork showing your child's flu shot for this year before December 31 or your child will not be allowed to return to school in 2018.

Holiday Concert & Activities

On December 20, the students will go to the Harrison Senior Center and sing some holiday songs for the group. We decided to do an encore presentation in our classroom for our parents and family members to enjoy. At 10am on December 21, we will gather to sing for the parents.

Afterwards, there will be holiday themed activities set up in our centers for the parents and students to enjoy together.

Polar Express Pajama Party

On our last day of school before Winter Break, we will have a pajama day! We will talk about the different kinds of pajamas the students are wearing and if they have writing, patterns, and/or numbers on them. To top off our day, we will watch the Polar Express while eating popcorn and drinking hot chocolate.

December 21 – normal lunch at school
