

Mrs. Toal & Mrs. Everlin

Dates to Remember:

March 2 – Dr. Seuss Birthday Party
March 12-16 – Parent Teacher Conferences
March 13 – No School – Teacher Workshop
March 15 – Picture Day
April 2-6 – No School – Spring Break

In the beginning of March, we will celebrate Dr. Seuss' birthday! We have already begun reading some of our favorite Dr. Seuss' books and we will be doing some activities related to Dr. Seuss throughout the month of March. During March, we will also begin our study of balls. This study of balls will offer the students opportunities to investigate objects from many different perspectives. They will explore important concepts of physical science and social studies as they investigate what balls are made of, what they are used for and what they are alike and different. Please be on the lookout because we will have days set up where your child can bring in a ball from home.

Please remember your monthly supplies. No tissues are needed, just **2 boxes of wipes** please.

Happy Birthday
Lauren
3/14

Reregistration begins during March. You will receive a letter from the Residency Office which will give you the information that you need to reregister your child for the next school year. **Please remember that our school is filled on a first come, first serve basis. No spot will be held because your child is currently registered in our school.** Each family needs to complete the reregistration process promptly to ensure your child has a spot at our school for next year
