

Mrs. Toal and Ms. Daisy

Days to Remember

Tuesday 2/5 – Chinese New Year

Tuesday 2/12 – 100 Days of School

Thursday 2/14 – Valentine's Day

Friday 2/15 & Monday 2/18 – NO SCHOOL – Presidents' Weekend

Thursday 2/21 – Half Day (1:00) Teacher Workshop

During the month of February we will be continuing our study of clothing. We will talk about the different kinds of clothes that we wear in all types of weather and learn about how clothes are made. We have been using bingo games to learn the different vocabulary that goes with the clothes we wear. Also in February we will focus on learning about counting to 100 and Valentine's Day. If the weather permits, we will also be learning about snow! Finally, we have been going over our letter names and sounds every day! Please make sure you are using the ABC books we sent home to get your child Kindergarten ready

During the week of February 11th, we will be doing activities for both 100 Days of School and Valentine's Day. On the 12th we will be practicing counting to 100 in a few different ways – including creating a 100s snack! On Valentine's Day we will try building some red and white structures and have some Valentine's snacks! A note will go home asking for things to be brought in to help our celebrations. Please note that we will have normal lunch both of those days.

If you send in Valentine cards, please have the student's names on the cards. We use this as a great name recognition activity. You can also order Valentine grams and we will make the valentines for you! Please see Mrs. Toal/Ms. Daisy to order valentine grams.
